Action Taken Report 2018-19 :

Significant contributions made by IQAC:

1. IQAC have arranged a meeting with all staff members to create awareness about the Outcome Based Education (OBE) and also the procedure for implementing OBE and preparing question papers based on OBE. Experts from outside were invited to discuss about the OBE. Three interactive sessions with faculty members were organized by IQAC to have a thorough discussion on OBE. The faculty members were became aware of the important area in the OBE.
2. The IQAC have organized five Faculty Development Programmes through the Departments concerned by inviting experts in the relevant field. The concepts discussed in the FDPs were about Digital learning, online marketing, principles of question paper setting, applying SPSS tools related to research and ways to become a good teacher.
3. The IQAC have organised created awareness programmes on Eco friendly environment to all the first year students considering their knowledge of secondary education in schools. A three-day orientation programme was also organized for the benefit of the students.
4. The IQAC initiated the process of implementing OBE for all UG and PG students whereby the individual students and focus the knowledge obtained through OBE in creating innovative ideas and strategies for the success of the institutions where they are placed. Further the intake of institution is mostly from the rural areas. Hence, students are given due attention for improving their knowledge and communication skills by providing regular soft skill training by the external experts.

5. The IQAC have taken initiatives through NSS and other Clubs in the institution to create awareness to the students regarding the following:

- (i) Tree plantation
- (ii) Segregation of waste
- (iii) Rain water harvesting
- (iv) Waste to compost &
- (v) Energy audit

The above activities were initiated to safeguard the environment and also maintain eco-friendly campus and to enhance green environment.
