In Technical Club, students learn techniques related to modern trends in education. The students have chosen technical tools such as Power Bi, Metasploit, AI and LML tool, Burp Suite and VI Path.

5. Evidence of Success

The college has made a welcoming environment for students to join clubs and participate in annual competitions. Students are enthusiastic about their tasks, showcasing their talents and excelling in competitions with grace. The college offers numerous opportunities, and students prove themselves in every activity. Our club activities yield fruitful results, and we also take students to external contests where they win many prizes.

Over the past 5 years our students have shown better placements and more students with their improved confidence and leadership skills had ventured to become entrepreneurs.

Key points of Evidences by the Practices

1. Students gaining insight into their latent talents.
2. Students have better problem solving skills.
3. Despite of lacking resources and facing personal hindrances, the students show unwavering effort to improve.
4. Many students showcase their mastery of communication skills through proficient articulation, highlighting its significance.
5. Students secure placements in leading companies and institutions, leveraging knowledge and skills gained from diverse programs.
6. Many students have been placed in top-notch companies and pursue their higher education.

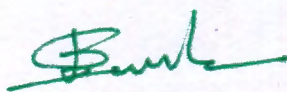

Problems Encountered and Resources Required

1. Time resources are the main problem encountered by the students to enroll in club activities. However, the students are encouraged to balance their time more effectively.
2. Availability of funds is another issue encountered by the students.

Resources Required

The College needs funds to fulfill all the resources needed for conducting more activities in the club. Therefore, the college stands to support and provides the resources required as much as possible. Nevertheless, our students improve time management skills, they approach any hurdle before them with grace and effectively balances academic, club and financial challenges they face.
